

ANNOUNCEMENT:

CIVIL FILING FEE INCREASE ON MARCH 18

Effective March 18, 2013, civil filing fees will increase by 5%. The increase was approved by the Arizona Judicial Council, which is the policy making body for the Arizona Judicial Branch.

The last filing fee increase was enacted by the state legislature in 2007. As part of the 2007 law, statutes were changed to authorize the Judicial Branch to review and increase civil filing fees periodically, in amounts not to exceed the consumer price index (CPI.)

The Arizona Judicial Council recently reviewed the filing fees for justice and superior courts, and in recognition of a still recovering economy, approved the 5% increase to be enacted on March 18, which is less than the 9% increase in the CPI.
